(5) Tenders will be opened by the Senior Surgeon on the 14th December 1907 at 8 A.M., in the presence of such tenderers as may choose to attend on that date.

(6) The Senior Surgeon and Sanitary Commissioner reserves to himself the right of rejecting any tender without assigning any reason for so doing.

(7) The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish the security of Rs. 200, in cash or Government bonds within three days from the acceptance of his contract being made known to him.

(8) No advance of cash will be made to the contractor. Payment for the calves supplied will be made by the Superintendent of the Vaccine Institute as soon as possible after the supply of each batch of calves.

(9) Calves are to be according to the description given below.

(10) Tenders must specify the rate at which each calf will be supplied.

(11) The probable number of calves required will be about sixty a month.

(12) Calves should be supplied in such numbers as the Superintendent of the Vaccine Institute may desire within a week from the date of order. Those rejected by the Superintendent on any account should be replaced by good and healthy calves within a week from the date of such rejection.

(13) The contract must not be sublet.

(14) A fine not exceeding Rs. 20 will be levied at the discretion of the Senior Surgeon for every infringement of the stipulation of the contract, and if the stipulation of the contract be frequently violated, the contract will be annulled, and the security confiscated to Government.

(15) The decision of the Senior Surgeon will be final in all questions of the infringement of contract.
